Tim,

This email by way of introduction is S/Sgt. Joe Mazzatesta, he is going to work on the swearing in of external provincial/municipal members IAW the Interprovincial Policing Act.
In accordance with Wendy's email, below and attached. She is also determining if the designated OPP member can do it remotely or needs to be here in person.
Tim – as a first step we'll need the name, badge and contact information (cell and email) for all team leads coming to Ontario, so Joe has a place to start coordination.
No hurry, but we really need this today?

Thank-you Joe et al.

Brad and Dave,

This may be the quickest way to get through this process. Are these officers coming in from outside Ontario? Talk to you at 1100 hrs.

Thanks, Wendy

Good morning Wendy ,

As requested, please find attached the *Application for Part II (Standard Procedure) Appointment* for officers to have Authorization to perform police duties in Ontario. The application must be signed by an "Extra-provincial commander or designate". (I've also attached the French version of the form if required)

Also attached is the Indemnification Letter Template (provinces that DO NOT have to complete this indemnification are Quebec, Manitoba, Saskatchewan, Nova Scotia and New Brunswick). This template must be completed on their Police Service letterhead

and must be signed by someone with authority for the Indemnification.

Let me know if you have any questions.

Have a good day!
